

Themes

Fun in the Sun

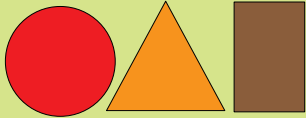

Summer is on the horizon. This theme explores all types of sunny day fun. Outdoor and water play opportunities invite children to engage in hands-on learning. Playing games invites the children to learn about teamwork too.

Summer Safety

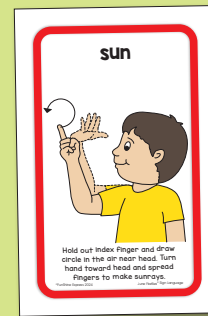

Summer has finally arrived! This theme teaches children how they can stay safe as they enjoy the great outdoors. Bike safety, water safety, sun safety, and car safety are included.

Outdoor Obstacle Course

Enjoy the sunny and warm summer days playing outside with your child. Bring out cardboard boxes to crawl through, a ball and a bucket for a toss game, hula hoops to roll or jump in, and other outdoor toys that promote physical activity. Encourage your child to help create fun outdoor games with the materials.

Summer Safety Station

Find items that are associated with summer and summer safety, such as sunscreen, a sunhat, sunglasses, bandages, a life jacket, and a swimsuit. Place the items in a box, and add more toys. Challenge your child to pick out the items that help keep them safe in the summertime. Talk about each of the items and when they might be used.

My Project: Cool Shades

When I bring this project home, we can:

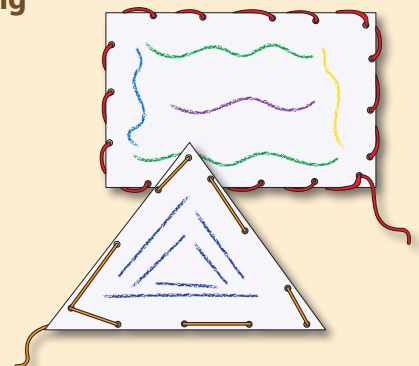

- Include the sunglasses as a prop as we play together.
- Invite our family members to wear sunglasses and take a silly family photo.

My Project: Shape Lacing

When I bring this project home, we can:

- Talk about the fun and interesting techniques of hole punching and lacing.
- Practice with similar tools at home.

Graphics are intended to show samples of projects.
